

**INBAL CLIENT FEES**

The INBAL hourly rate for services is **\$151/hour** for individual clients. Professional fees will be prorated for all services that do not take one full hour to complete, except for consultations and feedback sessions for testing. The fee for each of these sessions is \$151.

The INBAL hourly rate for services is **\$122/hour** for University of Illinois units who pay for INBAL services directly on behalf of their students, faculty, or staff. For example, the Division of Intercollegiate Athletics (DIA) is a university unit client. Student athletes do not pay for the services themselves, which are instead billed to the DIA. Individuals, even if employed by the University, are billed at the \$151/hour rate.

Clients will be charged the hourly rate for the following services:

- Face-to-face time with clients (consultations, appointments, feedback sessions)
- Required related work (preparing orders, scoring assessments and tests, interpreting assessment and test results, preparing written reports, review of outside records, and integrating previously gathered information with current testing results)
- Client-requested professional work (telephone calls, attendance at meetings, preparation of letters, all at the discretion of INBAL staff)

Multiple federally mandated factors are considered when setting rates for services, which will be reviewed on a regular basis per University protocols. The current fee schedule is effective starting 11/29/19. We will provide revised rates on our website as soon as they are available.

**BILLING AND PAYMENTS**

Payment is due at the time of service (i.e., upon check-in) for all scheduled appointments including consultation and feedback sessions. Payment for screenings is due at the time digital forms are sent to recipients for completion.

For assessments and testing services, payment for the *related* services (i.e., scoring, interpretation, report preparation) is “bundled” and billed as one lump sum due at the time of the feedback session for testing clients, and the time of report completion for assessment clients.

The INBAL accepts major credit and debit cards (Visa, Mastercard, Discover, and American Express). We are not able to accept cash or personal checks.

**INSURANCE REIMBURSEMENT**

The INBAL does not accept reimbursement from insurance carriers for payment. Clients are responsible for paying for all services in full at the time they are provided.

We are able to accept payment directly from Flexible Spending Accounts for clients who have a Visa, Mastercard, Discover, or American Express card for those accounts.

*University of Illinois students with Student Insurance Plans:* Student insurance reimburses behavioral health services, including psychological testing, at the same rate for in-network and out-of-network providers (80% of usual and customary charges after a \$250 deductible). Students will pay out-of-pocket for services at the time of appointment, but they will be provided with appropriate paperwork to submit for reimbursement.

## SCREENING SERVICES

Assessment Description	Initial Consultation	Appointments	Required Related Work	Feedback Session	Estimated Total Cost
Attention, Executive Functioning, or Dyslexia	Not required	Not required	.1 - .2 hour	Not required	\$30 (first screening form) \$15 (per form after first form)

Clients are welcome to select unlimited screenings from unlimited observers. The first form is typically more expensive to process due to time spent registering clients and obtaining appropriate consents which does not need to be repeated for additional forms.

## ASSESSMENT SERVICES

Assessment Description	Initial Consultation	Appointments (scheduled in 2-hour blocks)	Required Related Work	Feedback Session	Estimated Total Cost
Reading, Math, or Memory	Not required	1.5 - 2 hours	.25 - .5 hour	Not required	\$264 - \$378
Writing	Not required	1.5 - 2 hours	.5 - 1 hour	Not required	\$302 - \$453
Targeted Academic	Not required	1.5 - 2 hours	.25 - .5 hour	Not required	\$264 - \$378
Total Academic	Not required	3 - 4 hours	.5 - .75 hour	Not required	\$529 - \$717
Attention	Not required	1 - 1.5 hours	.25 - .5 hour	Not required	\$189 - \$302

An optional one-hour, in-person feedback session may also be scheduled separately for the additional \$151 fee. Clients are not required to schedule the optional feedback appointment at the time they schedule the assessment. This service may be added after the assessment has been completed. It may also serve as the required "initial consultation" if clients then decide to pursue formal testing services.

## TESTING SERVICES

Testing Description	Initial Consultation	Appointments (scheduled in 2-hour blocks)	Required Related Work	Feedback Session	Estimated Total Cost
Attention and Executive Functioning	1 hour	4 - 6 hours	2 - 3 hours	1 hour	\$1208 - \$1661
Learning	1 hour	8 - 12 hours	4 - 6 hours	1 hour	\$2114 - \$3020
Social Cognition	1 hour	8 - 14 hours	4 - 10 hours	1 hour	\$2114 - \$3926
Comprehensive	1 hour	10 - 16 hours	5 - 10 hours	1 hour	\$2567 - \$4228

Additional feedback sessions can be scheduled at the same rate of \$151/hour.

## EXPLORATORY CONSULTATIONS

Clients may schedule an in-person consultation for \$151/hour without prior commitment to any services. This type of consultation is best for clients who are unsure of their specific needs, and/or wish to explore options in more detail before making decisions.
